## Mini Skills Program and Fee Structure 2010

The *Otters* invite your family to *get into the swim of things*. Our club offers a variety of levels of swimming instruction and training. Our various programs include basic stroke instruction, recreational training as well as intense competitive swimming. Swimming is a life long sport and it is our intention to engage people of all ages in this pursuit.

For more information and a complete list of our other programs please visit our website [www.orangevilleotters.com](http://www.orangevilleotters.com) or email us at [info@orangevilleotters.com](mailto:info@orangevilleotters.com)

### **Mini Skills – Session 3**

The Swimming Skills Program is designed for young swimmers (ages 6-11) who have a love of the water, are independent while swimming and require basic stroke instruction. The program runs for **8 swims** starting **April 14, 2010** and ending **June 14, 2010**. Please note that this period excludes Victoria Day (May 24). Instruction will focus on continued stroke improvement and the introduction of a variety of swimming skills and drills designed to increase physical stamina and efficiency in the water. Group activities will combine instruction, application of swimming skills and *fun*.
